EIS Extracts Layout

Revision Date: Wednesday, June 17, 2015

Transmit Header

Extract Data Element	Format	Key	Description
Record ID	9(3)		001
Record Version	99		01
Filler	99		Must be zero filled.
District ID	9(3)		The ID number assigned by SDE must be a valid active public school district in SDE Directory.
TH Extract Date	9(8)		Must use Format of CCYYMMDD, the date of creation for this batch. Refer to transmission rules.
TH File Name	X(20)		The physical file name for this transmission. Refer to transmission rules in the EIS Manual.
Filler	X(20)		Reserved for future use, must be spaces.

200 Day Calendar

Extract Data Element	Format	Key	Description
Record ID	9(3)		010
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY". Cannot be zero.
Calendar Number	99	Y	The number for this school year the district has assigned to uniquely identify the calendar within the district (ex 01,02..) Traditional, year round. Valid values 01 – 99.
Instructional Calendar	X		Within the district, defines how the calendar will operate during the school year to provide instructional services to students. Valid values are: • Traditional = T • Year Round (Non-traditional) = Y
Scheduled Days	9		The days of the week that students will be attending school on a regular basis during the calendar. Valid values are: • Monday through Friday = 1 • Monday through Saturday = 2
Stockpile Inclement Weather Days	99		The number of stockpile days that have been designated in the calendar for inclement weather.
Stockpile Professional Development Days	99		The number of days allocated by stockpiling that may be applied to instructional days in the calendar for professional development.
In Service Days	99v99		The number of days the district designates for discretionary In Service days.
Optional In Service Days	99v99		The number of days allocated for individual choice of professional development activities
Parent Teacher Conference Days	9		The number of days allocated for parents and teachers to meet
Teacher Vacation Days	99		The number of days allocated for teachers paid vacation.

Abbreviated Days	9		The number of days allocated for instructional days that have been shortened to less than the state minimum school day of 6.5 hours.
Discretionary Teacher Vacation Days	99v99		The number of days the district designates for discretionary Teacher Vacation days.
Discretionary In Service Days	99v99		The number of days the district designates for discretionary In Service days.
Discretionary Administrative Days	99v99		The number of days the district designates for discretionary administrative activities.
Discretionary Instructional Days	99v99		The number of days the district designates for discretionary Instructional days.
Discretionary Other Days	99v99		The number of days the district designates for discretionary other days.
Instructional Days	9(3)		The number of days for classroom instruction.
Filler	X(20)		Reserved for future use. Must be spaces.

200 Day Event Calendar

Extract Data Element	Format	Key	Description
Record ID	9(3)		011
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Calendar Number	99	Y	The number for this school year the district has assigned to uniquely identify the calendar within the district (ex 01,02..) Traditional, year round. Valid values 01 – 99.
Event Date	9(8)	Y	The date that the instructional or non-instructional event will take place. Must be in format, "CCYYMMDD".
Event Type	XX	Y	The type of event that takes place on the date. Reference Appendix A for possible values.
School Day Type	X		Indicates if the event will be counted as an instructional (I) or non-instructional (N) day.
Event Duration	9v99		The amount of time for the event as recognized by the school. A maximum of 1 day per event extract. An extract must be sent for each day for events spanning more than one day. Valid values: 1 Day = 100 ½ Day = 050 1/3 Day = 033
Filler	X(20)		Reserved for future use. Must be spaces.

District Bus

Extract Data Element	Format	Key	Description
Record ID	9(3)		015
Record Version	99		**02**
Record Type	X(01)		New = N, Edit = E, Delete = D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Bus Number	**X(6)**	Y	The number assigned to the bus, must be unique within the district for the school year.
Specially Equipped	X		Is this a specially equipped bus "Y" = Bus is specially equipped "N" or null or space = Bus is not specially equipped
Daily Miles One Way AM	9(4)		**Daily one way A.M. miles traveled by all buses from where the bus is parked overnight to the last school drop off**
Bus Type	X		A = 'Type A' B = 'Type B' C = 'Type C' D = 'Type D'
Year Bus Began Operation	9(4)		The school year the bus first became operational, format 2014-2015 this will be stored as 2014.
Inspected by TN Dept of Safety	X		**"Y" or "N", was inspection by TN Dept. of Safety current**
Privately owned	X		"Y" or "N", is bus privately owned
Wheel Chair Lifts	X		"Y" or "N", does the bus have a wheel chair lift
Commercial Advertising	X		"Y" or "N", is there commercial advertising on the bus
Total Number Accident	**9(04)**		**The total number of accidents for this bus this year**
Occupant Restraints	X		**"Y" or "N", is the bus equipped with occupant restraints**
Two Way Communication	X		"Y" or "N", is the bus equipped with two way communications

District Bus

Audio/Video Surveillance	X		"Y" or "N", is the bus equipped with audio/video surveillance equipment
Type of fuel	X(6)		Gas, Diesel, CNG
GPS System	X		"Y" or "N", does the bus have a GPS system
Air Conditioning	X		"Y" or "N", is the bus air conditioned
Personal Injury Accidents	**9(04)**		**Number of personal injury accidents**
Treated and Released	**9(04)**		**Number of students treated and released**
Hospitalized Overnight or Longer	**9(04)**		**Number of Students hospitalized overnight or longer**
Fatalities On Board	**9(04)**		**Deaths on bus**
Fatalities Off Board	**9(04)**		**Deaths off bus**
Property Damage Accidents	**9(04)**		**Number of property damage accidents**
Filler	**X(20)**		**Reserved for future use. Must be spaces.**

District Bus Staff

Extract Data Element	Format	Key	Description
Record ID	9(3)		016
Record Version	99		01
Record Type	X(01)		New = N, Edit = E, Delete = D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Regular Drivers	9(04)		Number of regular drivers
Substitute Drivers	9(04)		Number of substitute drivers
Employed Bus Rivers with CDL	9(04)		Number of employed bus drivers with CDL
Contracted Bus Drivers with CDL	9(04)		Number of contracted drivers with CDL
Bus assistants	9(04)		Number of bus assistants
Bus Garage and Maintenance	X(01)		Does district own and operate a bus garage and perform bus maintenance
Mechanics Maintenance on Non Bus Vehicles	X(01)		Does the bus garage mechanics perform maintenance on non-school bus vehicles
Full Time Mechanics	9(04)		Number of full time mechanics employed by the district
Filler	X(20)		Reserved for future use. Must be spaces.

Instructional Program

Extract Data Element	Format	Key	Description
Record ID	9(3)		020
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Calendar Number	99	Y	The number for this school year the district has assigned to uniquely identify the calendar within the district (ex 01,02..) Traditional, year round. Valid values 01-99.
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Instructional Calendar	X		Defines how the calendar will operate during the school year to provide instructional services to students. Valid values are: • Traditional = T • Year Round (Non-traditional) = Y
Student Day	9(3)		The length in minutes for a standard full-time day of instruction including lunch, for students in this program within the school. Do not confuse this with the Student Standard Day. Value is in minutes.
Teacher Day	9(3)		The length in minutes for a standard full-time day of instruction including lunch, for teachers in this program within the school. This is usually the student day plus the time teachers are required to be at the school both before student arrival and after student departure. Value is in minutes.
School Stockpile Professional Development Days	99		The number of days a school has designated as stockpile for professional development when the district did not declare

			Stockpiling. If district declared stockpiling this must be zero. This field is to be used only if the district does not stockpile professional development and the school elects to stockpile professional development.
Block Schedule	X		Does school use block schedule, valid values are: • School is on Block Schedule = Y • School is not on Block Schedule = N
Spring Block Begin Date	9(8)		If the school is on block schedule the day the spring block begins, format is CCYYMMDD. If school does not user block schedule value must be zeroes.
Filler	X(11)		Reserved for future use. Must be spaces.

Instructional Program Report Period

Extract Data Element	Format	Key	Description
Record ID	9(3)		021
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Report Period Number	99	Y	The number of the report period during the Instructional Program. See Appendix B for valid values.
Report Period Begin Date	9(8)		The first day of a 20-day report period. Must be format "CCYYMMDD".
Report Period End Date	9(8)		The last day of a 20-day report period. Must be format "CCYYMMDD".
Filler	X(20)		Reserved for future use. Must be spaces.

School Days

Extract Data Element	Format	Key	Description
Record ID	9(3)		022
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Event Date	9(8)	Y	The date that the instructional or non-instructional event will take place. Must be in format, "CCYYMMDD".
Event Type	XX	Y	The type of event that takes place on the date. Reference Appendix A for possible values.
Event Duration	9v99		The amount of time for the event as recognized by the school. A maximum of 1 day per event extract. An extract must be sent for each day for events spanning more than one day. Valid values: • 1 Day = 100 • ½ Day = 050 • 1/3 Day = 033
School Day Type	X		Indicates if the event will be counted as an instructional (I) or non-instructional (N) day.
Filler	X(20)		Reserved for future use. Must be spaces.

Class Section

Extract Data Element	Format	Key	Description
Record ID	9(3)		030
Record Version	99		02
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Course Code	9(5)	Y	The SDE Course code. If a special number is needed for university, vocational rehab center, see Correlation of Course Codes Appendix O.
Local Class Number	X(15)	Y	The local class number that uniquely identifies the class at the school.
Filler	99		Must be zero filled
Service District ID	9(3)		The district of the school where the class is being offered. If offered at a private location Service District ID must be 999. If offered at primary school this would be same as District ID. If offered at another public school it would be the district number to which that school is assigned.
Service School ID	9(4)		The school where the class is being offered. If offered at a University private school or vocational center the Service School ID must be 0005. If offered at primary school this would be same as School ID. If offered at another public school it would be the school number to which that school is assigned.
Class Type	X		Structure of the class. Valid values are: • Traditional = T

			• Pull-out = P • Self-Contained Departmentalized = C Note: Self-contained classes are reported as traditional (do not confuse this with self-contained departmentalized).
Teaching Method	X		Traditional or Distance Learning. Distance Learning facilitator must be a licensed teacher but endorsement in subject is not required. Valid values are: • Traditional = "T" • Distance Learning (other than on-line) = "D" • On-line Course = "O"
Class Begin Date	9(8)		First day of a class. Must be in format, "CCYYMMDD".
Class End Date	9(8)		Last day of a class. Must be in format, "CCYYMMDD". If class runs thru the last day of attendance for the school year may be zeroes.
Honors Class Indicator	X		Indicates if the class is designated as being an Honors Class. Valid values are: • Y = Class is honors • N or null = Not a honors class
Local Dual Credit	X		Local Dual Credit: A high school course that is aligned with a postsecondary challenge examination at a specific postsecondary institution, which allows students exceeding an established cut score to earn postsecondary credit at that institution (not typically transferrable). This course is taught by high school faculty at the high school. Valid values: • Class is Local Dual Credit = "Y" • Class is not Local Dual Credit "N" or null.

Statewide Dual Credit	X		Statewide Dual Credit: A high school course aligned with a postsecondary challenge examination developed and approved by the Consortium for Cooperative Innovative Education, which allows students exceeding an established cut score to earn postsecondary credit at any public postsecondary institution. This course is taught by high school faculty at the high school. The state (TDOE) administers the challenge exam and maintains record of student scores/earned credits. Valid values: • Class is Statewide Dual Credit = "Y" • Class is not Statewide Dual Credit "N" or null.
Dual Enrollment	X		Dual Enrollment: a postsecondary (TCAT, community college, or university) course that is taught by a postsecondary-credentialed faculty member (can be a high school teacher who is an adjunct). Students in these courses are enrolled at the postsecondary institution and pay tuition and fees associated with the course. High schools award high school credits for completion of these courses while students are enrolled in high school. Valid values: • Class is Dual Enrollment = "Y" • Class is not Dual Enrollment "N" or null.
Postsecondary Institution Id	9(6)		The postsecondary institution partnering with a local school district to offer early postsecondary credit. If the class section is local dual credit, districts must select the postsecondary institution (TCAT, community college, or university) which is partnering with the district to offer this course. If the class section is statewide dual credit, the postsecondary institution ID should be listed as '000000 – Statewide Dual Credit'.
Filler	X(9)		Reserved for future use. Must be spaces.

Class Section Schedule

Extract Data Element	Format	Key	Description
Record ID	9(3)		031
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Local Class Number	X(15)	Y	The local class number that uniquely identifies the class at the school.
Monday Duration	9(3)		Period duration in minutes, may or may not contain class change time. Report in minutes, do not report fractional minutes. May include lunch time in grades P3-8, may not include lunch time in grades 9-12.
Monday Assigned Period	99		The period number of the day the class is scheduled to meet on the specified day (the first period class meets if it spans multiple periods)
Tuesday Duration	9(3)		Period duration in minutes, may or may not contain class change time. Report in minutes, do not report fractional minutes. May include lunch time in grades P3-8, may not include lunch time in grades 9-12.
Tuesday Assigned Period	99		The period number of the day the class is scheduled to meet on the specified day (the first period class meets if it spans multiple periods)
Wednesday Duration	9(3)		Period duration in minutes, may or may not contain class change time. Report in minutes, do not report fractional minutes. May include lunch time in grades P3-8, may not include lunch time in

			grades 9-12.
Wednesday Assigned Period	99		The period number of the day the class is scheduled to meet on the specified day (the first period class meets if it spans multiple periods)
Thursday Duration	9(3)		Period duration in minutes, may or may not contain class change time. Report in minutes, do not report fractional minutes. May include lunch time in grades P3-8, may not include lunch time in grades 9-12.
Thursday Assigned Period	99		The period number of the day the class is scheduled to meet on the specified day (the first period class meets if it spans multiple periods)
Friday Duration	9(3)		Period duration in minutes, may or may not contain class change time. Report in minutes, do not report fractional minutes. May include lunch time in grades P3-8, may not include lunch time in grades 9-12.
Friday Assigned Period	99		The period number of the day the class is scheduled to meet on the specified day (the first period class meets if it spans multiple periods)
Saturday Duration	9(3)		Period duration in minutes, may or may not contain class change time. Report in minutes, do not report fractional minutes. May include lunch time in grades P3-8, may not include lunch time in grades 9-12.
Saturday Assigned Period	99		The period number of the day the class is scheduled to meet on the specified day (the first period class meets if it spans multiple periods)
Filler	X(20)		Reserved for future use. Must be spaces.

Student

Extract Data Element	Format	Key	Description
Record ID	9(3)		040
Record Version	**99**		**05**
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Student Social Security Number	9(9)	Y	Social Security Number of student if provided, format 999999999.
Student PIN	9(9)	Y	The unique identifier provided by the school for a student if the student's Social Security Number not provided, format 999999999.
Local Student Key	9(10)		Local software generated number that identifies the student, format 9999999999.
First Name	X(15)		Legally recognized first name of the student
Middle Name	X(15)		Legally recognized middle name of the student. If the student does not have a middle name the value will be spaces.
Last Name	X(25)		Legally recognized last name of the student
Suffix	X(3)		Legally recognized suffix of the student. If student does not have a name suffix the value will be spaces.
Date of Birth	9(8)		The date the student was born, format "CCYYMMDD"
Student Previous Social Security Number	9(9)		Previous SSN reported for student. If no previous SSN value must be all zeroes.
Student Previous PIN	9(9)		Previous PIN reported for student. If no previous PIN the value

			must be zeroes.
Previous First Name	X(15)		Previous first name reported for student. If no previous first name value must be spaces.
Previous Middle Name	X(15)		Previous middle name reported for student. If no previous middle name value must be spaces.
Previous Last Name	X(25)		Previous last name reported for student. If no previous last name value must be spaces.
Gender	X		The student's gender. Valid values are: • Male = M • Female = F
Filler	X		Must be space filler
Filler	X(4)		Must be space filled.
Immigrant Student	X		If the student immigrated to the United States value must be "Y" if a naturally born student citizen of the United States value must be "N".
Date First Enrolled in a US School	9(8)		If student immigrated to the United States the year the student first enrolled in a school in US, format "CCYYMMDD". Value will be all zeroes if not immigrant student.
Year Entered Ninth Grade	9(4)		The school year the student was promoted to the ninth grade, Format must be "CCYY". Example, if student was promoted to the ninth grade during the 2006-07 school year value would be 2006. Value will be all zeroes if student has not yet entered 9th grade. If child has not yet entered 9th grade must be zeroes.
Native Language	X(3)		See Language List
State Assigned Student ID	9(9)		The unique state assigned student id generated in the EIS system.
Mother's Maiden Last Name	X(25)		The student's mother' maiden name.
Student's City of Birth	X(30)		The city in which the student was born.
Student's County of Birth Code	9(03)		The code for the student's county of birth. See attached valid county codes table (County Codes).
Student's State of Birth Code	X(02)		The code for the student's state of birth. See attached valid state codes table (State Codes).
Student's Country of Birth Code	X(02)		The code for the student's country of birth. See attached valid

			country codes table (Country Codes).
Hispanic	X		The ethnicity of the student member. Valid values are: • H = Hispanic • N = Non-Hispanic
American Indian Alaskan Native	X		Is the student member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
Asian	X		Is the student member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
Native Hawaiian or Pacific Islander	X		Is the student member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
Black or African American	X		Is the student member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
White	X		Is the student member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
SPID	**X(9)**		**This is the State Person ID generated by the TN-Ed-Fi person identity application.**
Date First Enrolled in ESL	**9/(8)**		**Date student first enrolled in an ESL program, format "CCYYMMDD". Value will be all zeroes if never in an ESL program.**
Filler	**X(3)**		**Reserved for future use. Must be spaces.**

Student Enrollment

Extract Data Element	Format	Key	Description
Record ID	9(3)	Y	041
Record Version	99	Y	02
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Student Social Security Number	9(9)	Y	Social Security Number of student if provided, format 999999999.
Student PIN	9(9)	Y	The unique identifier provided by the school for a student if the student's Social Security Number not provided, format 999999999.
Local Student Key	9(10)		Local software generated number that identifies the student, format 9999999999.
Instr Service Period Type of Service	X		The type of service the student is receiving at the school. Valid values are: • Primary School = P • Receiving Partial Service = S
Enrollment Date	9(8)	Y	The student's first day of attendance for this enrollment, format "CCYYMMDD"
Enrollment Reason	XX		See Appendix D – Enrollment Reasons for valid codes.
English Language Background	X		See Appendix E – English Language Background for valid codes.
Course of Study	X		The student's course of study for this enrollment. Valid values are: • T = Technical or Focus of Study – CTE

			• U = University • D = Dual • N/A = Blank
Filler	X		Reserved for future use. Must be space filled.
Filler	99		Must be zero filled
Primary District ID	9(3)		ID of district providing service, when not student's primary/home school district
Primary School ID	9(4)		ID of school providing service, when not student's primary/home school
State Assigned Student ID	9(9)		The unique state assigned student id generated in the EIS system.
Filler	X(11)		Reserved for future use. Must be spaces.
Homeless Primary Night Time Residence	9(2)		A homeless student's residence at the time of enrollment or at the identification as homeless, valid codes are: • 01 = shelters, transitional housing, awaiting foster care • 02 = doubled up (living with another family) • 03 = unsheltered (cars, parks, campgrounds, temporary trailer, abandoned building) • 04 = hotels/motels
Homeless Served by McKinney - Vento	X		A homeless student served by federal McKinney-Vento funds any time during the school year, valid entries are: • Y = served by McKinney-Vento • N = not served by McKinney-Vento • Blank = not served by McKinney-Vento
Homeless Unaccompanied Youth	X		A homeless student who is not living with a parent or guardian, valid entries are: • Y = homeless and unaccompanied • N = homeless but not unaccompanied Blank = homeless but not unaccompanied
SES Applied	X		Indicates a student has applied for Supplemental Educational Services (SES). Valid values are: • Y = Student has applied • N or Space = Student has not applied
SES Receiving	X		Indicates a student is receiving Supplemental Educational

Extract Data Element	Format	Key	Description
			Services (SES). Valid values are: • Y = Student receives services • N or Space = Student does not receive services
Filler	X(20)		Reserved for future use. Must be spaces.

Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Student Social Security Number	9(9)	Y	Social Security Number of student if provided, format 999999999.
Student PIN	9(9)	Y	The unique identifier provided by the school for a student if the student's Social Security Number not provided, format 999999999.
Local Student Key	9(10)		Local software generated number that identifies the student
Fund Inelig Status	9		Indicator to determine if student is eligible for state funding. Valid values are: • Excluded. Out-of-State = 1 • Excluded, I20 Student = 2 • Not Excluded = 0
Fund Inelig Begin Date	9(8)	Y	The start date for this funding status, format "CCYYMMDD".

Fund Inelig End Date	9(8)		The end date for this funding status, format "CCYYMMDD". If status has not ended must be zeroes.
State Assigned Student ID	9(9)		The unique state assigned student id generated in the EIS system.
Filler	X(11)		Reserved for future use. Must be spaces.

Student Instructional Grade

Extract Data Element	Format	Key	Description
Record ID	9(3)	Y	043

Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Student Social Security Number	9(9)	Y	Social Security Number of student if provided, format 999999999.
Student PIN	9(9)	Y	The unique identifier provided by the school for a student if the student's Social Security Number not provided, format 999999999.
Local Student Key	9(10)		Local software generated number that identifies the student.
Year Class Was Taken	9(4)	Y	The four digit school year the class was taken ex: 2010-11 school year would be reported as 2010.
Term class was taken	X(2)	Y	Valid values are: • "S1" = Semester 1 • "S2" = Semester 2 • "T1" = Trimester 1 • "T2" = Trimester 2 • "T3" = Trimester 3 • "Q1" = Quarter 1 • "Q2" = Quarter 2 • "Q3" = Quarter 3

			• "Q4" = Quarter 4 • "SU" = Summer School • "YR" = Year Long Course
Grade Assignment When Class was Taken	X(2)		See Appendix L – Instructional Grade for valid codes
Private or Out of State Transfer	X		Indicates that the course credit was transferred from either a private or out-of-state school. Valid values are: • Y = Transferred from private or out-of-state • N or Null = Not transferred from private or out of state
Course Code	9(5)	Y	Must be a valid SDE course code. If transferred from a private or out-of-state school you must enter the equivalent SDE course code.
Local Course Number	X(15)		The local course number, usually a SDE course code plus the section number.
Credits Attempted	9v99		Number of credits the student attempted for the course, example: • One half credit (0.50) would be sent as 050 • One quarter credit (0.25) would be sent as 025 • One credit (1.00) would be sent as 100
Credits Earned	9v99		Number of credits the student earned for the course, example: • One half credit (0.50) would be sent as 050 • One quarter credit (0.25) would be sent as 025 • One credit (1.00) would be sent as 100 • No credits (0.00) would be sent as 000
Alpha Grade	X		See Appendix V – Student Alpha Grades for valid values
Numeric Grade	9(3)		Numeric grade (final numeric grade including quality points awarded) • This is the final numeric grade awarded and excludes quality points awarded for the class. • If rigor points are awarded, the quality points awarded for the class must be in Quality Points Awarded (Rigor) field.
Quality Points (Rigor)	9		The total quality points awarded for the course.

State Assigned Student ID	9(9)		The unique state assigned student id generated in the EIS System.
Filler	X(20)		Reserved for future use. Must be spaces.

School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory. If staff member is a district wide position 9999 will be considered valid to designate that this is a district wide position. If the district wide staff member is a teacher of record in a school then 9999 is not a valid school number when reporting that staff and class data.
School Year	9(4)	Y	The four-digit school year that the instructional program will be operated to provide instructional services to students. The year of the fall semester. Must be in format, "CCYY"
Instructional Program Number	99	Y	The number assigned to the instructional program to uniquely identify the instructional program within the school. For example, 01 = Traditional, 02 = Non-traditional (year round), either may be any number between 01 and 99.
Staff Social Security Number	9(9)	Y	SSN of staff member
Teacher License Number	9(9)	Y	Current license number of staff member
Local Staff Key	9(10)		Local software generated number that identifies the staff member
First Name	X(15)		Legally recognized first name of staff member
Middle Name	X(15)		Legally recognized middle name of staff member. If staff does not have a middle name value must be spaces.
Last Name	X(25)		Legally recognized last name of staff member
Suffix	XXX		Legally recognized suffix of the staff member. If the staff does not have a suffix value must be spaces.
Date of Birth	9(8)		Staff member's date of birth, must be format "CCYYMMDD"
Staff Previous Social Security Number	9(9)		Previous SSN reported for staff member. If no previous SSN value must be zeroes.
Staff Previous Teacher License Number	9(9)		Previous license reported for staff member. If no previous license number value must be zeroes.

Previous First Name	X(15)		Previous first name reported for staff member. If no previous first name value must be spaces.
Previous Last Name	X(25)		Previous last name reported for staff member. If no previous last name value must be spaces.
Gender	X		Gender of staff member. Valid values are: • Male = M • Female = F
Ethnicity	X		The ethnicity of the staff member. Valid values are: • H = Hispanic • N = Non-Hispanic
American Indian or Alaskan Native	X		Is the staff member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
Asian	X		Is the staff member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
Native Hawaiian or Pacific Islander	X		Is the staff member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
Black or African American	X		Is the staff member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
White	X		Is the staff member a member of this race, valid values are: • Y = member of this racial group • N = not a member of this racial group
Filler	X(4)		Must be space filled.
Licensure Check	X		The reason a staff member may not be located in licensure. If no licensure check indicated value must be a space. Valid values are: • N = New Teacher • R = ROTC • U = University Teacher • O = Other

Waiver Request Course	9(4)		SDE course code not currently endorsed to teach (Not Used), this should be zero filled.
Staff Status	X		The employment status of the staff member. Valid values are: • F = Full Time • P = Part Time
Filler	X(20)		Reserved for future use. Must be spaces.

Staff Member Current Assignment

Extract Data Element	Format	Key	Description
Record ID	9(3)		062
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
School ID	9(4)	Y	The ID number assigned by SDE must be a valid active public school within the school district in SDE Directory. If staff member is a district wide position 9999 will be considered valid to designate that this is a district wide position. If the district wide staff member is a teacher of record in a school then 9999 is not a valid school number when reporting that staff and class data.
School Year	9(4)	Y	Must be format "CCYY" for the year the fall semester begins
Staff Social Security Number	9(9)	Y	SSN of staff member
Teacher License Number	9(9)	Y	Current license number of staff member
Local Staff Key	9(10)		Local software generated number that identifies the staff member
Current Assignment	XX		A staff member's current assignment, See Appendix I for valid codes. A staff member may have multiple current assignments.
Current Assignment Begin Date	9(8)		First day of current assignment in a school. Must be in format, "CCYYMMDD".
Current Assignment End Date	9(8)		Must be format "CCYYMMDD", the last day a staff member was in the current assignment. If staff current assignment has not ended, must be zero filled.
Filler	X(12)		Reserved for future use. Must be spaces.

Staff Member Class Assignment

Extract Data Element	Format	Key	Description
Record ID	9(3)		063
Record Version	99		01
Record Type	X		New=N, Edit=E, Delete=D
Filler	99		Must be zero filled.
District ID	9(3)	Y	The ID number assigned by SDE must be a valid active public school district in SDE Directory.
